

# SUPPORT THE GLOBAL HUMANIST MOVEMENT NOW!

**Join Humanists International  
as an Individual Supporter**

## By becoming an Individual Supporter of Humanists International you can:

- Connect with a global network of thousands of humanist organizations and like-minded individuals
- Attend our General Assembly organized every year in a different country around the world (in 2022 it will be in Glasgow), and get reserved access to the General Assembly agenda and papers
- Get free access to humanist conferences, online training, and other social events
- Get access to discounted tickets for the World Humanist Congress, organized every three years in a different country (next one will be in Copenhagen in 2023)
- Be nominated by one of our Members and Associates to run for a Board position
- Take actions to support humanists at risk around the world, get access to detailed briefings about their cases and other resources to lobby your government on their behalf
- Support humanist projects led by our Members and Associates around the world, especially in developing countries
- Participate in global coordinated campaigns to promote and defend human rights for everyone, everywhere
- Preview of (and contribute to) our Freedom of Thought Report, monitoring the discrimination against humanists, atheists and non-religious people in every country of the world
- Receive our quarterly advocacy update on our presence at the United Nations Human Rights Council and other international institutions
- Get access to our Members Newsletter with exclusive content and action-alerts
- Join our Facebook group reserved for Members, Associates and Individual Supporters of Humanists International
